

Contract by tender index for buildings and civil engineering work

100 BUILDING CONTRACT BY TENDER

110 Ground work

- 111 Soil work
- 112 Rock work
- 113 Asphalt work
- 114 Gardening work
- 115 Concrete work
- 116 Work with concrete piles
- 117 Work with steel piles
- 118 Work with lime cement piles
- 119 Sheet pile works

120 Work with buildings

Multi-dwelling buildings and public administration buildings with carcass of:

- 121 In-situ concrete
- 122 Prefabricated concrete unit

Buildings with carcass of:

- 123 Wood
Redevelopment
- 124 Redevelopment

Shopping centre and logistic buildings with carcass of:

- 125 Prefabricated concrete unit
- 126 Steel

130 Pipe work

- 131 Heating and sanitary work in buildings

140 Air treatment

- 141 Ventilation system

150 Electric work

- 151 Low voltage systems
- 152 Installation work with telecommunication-, data-, and security systems
- 153 Elevators and escalators

200 ROAD CONTRACT BY TENDER**210 Clearing-, foundation reinforcement- and formation work**

- 211 Soil and rock formation etc.

220 Dry drainage and various works

- 221 Concrete, plastic- and steel pipelines etc.

230 Superstructures, traffic signs and traffic lights

- 231 Rock superstructures etc.
- 232 Traffic lights- and traffic signal plants
- 233 Guardrail works
- 234 Guard wire works

240 Coating

- 241 Asphalt coating roads
- 242 Asphalt coating streets
- 243 Cistern coating
- 244 Asphalt mix
- 245 Milling
- 246 Road marking

250 Bridge work

- 251 Concrete bridge work
- 252 Steel bridge work

300 PIPE CONTRACT BY TENDER**310 Ground work**

- 311 Soil work

320 Laying of pipelines

- 321 Laying of nodular cast iron pipes
- 322 Laying of PVC-pipes
- 323 Laying of concrete pipes
- 324 Laying of high pressure pipes

330 Laying of pipelines, excluding material

- 331 Laying of pre isolated pipes, excluding material

400 ROCK CHAMBER, TUNNEL AND MINE CONTRACT BY TENDER

410 Blasting work

411 Blasting work, rock chamber and tunnels

420 Transportation

421 Transportation of rock

430 Concrete work

431 Reinforcement work

500 OTHER WORK

510 Consulting

511 Planning

2000 SUBCONTRACT BY TENDER (MATERIALS, WAGES AND OTHER COSTS)

2010 Work with prefabricated units

2011 Prefabricated concrete unit

2020 Metal work

2021 Forging
2022 Metal parts of aluminium
2023 Metal parts of steel
2024 Rustles work
2025 Acid proof stainless steel
2026 Steel constructions
2027 Industrial gates

2030 Metal sheet work

2031 Surface treated steel sheet
2032 Copper sheet
2033 Aluminium sheet
2034 Profiled sheet

2040 Roof covering and waterproofing work

2041 Roof covering and waterproofing
2042 Roof covering and waterproofing with thermal insulation

2050 Plastering work

2051 Facade plastering 2052 Plastering with additional insulation

2060 Glass work

2061 Float glass
2062 Laminated glass
2063 Toughened glass
2064 Sealed insulating glass
2065 Fire glass

2070 Work with wallboard

2071 Gypsum wallboard on steel joist

2080 Work with joint plates

2081 Natural stones
2082 Ceramic tiles
2083 Sintered plates
2084 Clinker plates
2085 Art stone plates (Terrazzo)

2090 Floor covering work

2091 Parquet
2092 Linoleum floor covering
2093 Plastic floor covering
2094 Textile floor covering

2100 Suspended ceiling work

2101 Suspended ceiling of mineral fibres, gypsum and metal sheet

2110 Painting work

2111 Painting in new constructions
2112 Painting in redevelopments

2130 Insulating work

2131 Heating and sanitary insulation
2132 Mastic asphalt
2133 Jointing work
2134 False stop insulation

2150 Conditioning system work

2151 Air conditioning and heat pump system

2160 Other subcontract by tender

2161 Restaurant installations

5000 MACHINES & 6000 TRANSPORTATIONS

5010 Machine exploitation

- 5011 Excavators excluding petrol and driver costs
- 5012 Other building machines excluding petrol and driver costs

6010 Transportations

- 6011 Lorry transports

1000 MATERIALS

These index numbers are not meant for cost regulation between material supplier and contractor

1010 Aggregate etc.

- 1011 Processed stone materials
- 1012 Unprocessed stone materials
- 1013 Soil for professional use
- 1014 Leca blocks
- 1015 Stone for pavements

1020 Material for concrete and bricklayer work

- 1021 Cement
- 1022 Ready mixed concrete
- 1023 Concrete products
- 1025 Bricks and sand lime bricks
- 1026 Bricks of Leca blocks
- 1028 Mortar

1030 Timber and carpentry

- 1031 Timber
- 1032 Shuttering plywood
- 1033 Woodwork products
- 1034 Doors
- 1035 Windows
- 1036 Garage doors
- 1037 Stairs
- 1038 Treated fillet

1040 Reinforcing steel and girder

- 1041 Reinforcing steel
- 1042 Steel girder
- 1043 Pipes of rectangular hollow section types
- 1044 Steel bar
- 1045 Sheet piles of steel
- 1046 Cable posts and cables (road building)

1050 Metal sheet

- 1051 Steel sheet
- 1052 Metal joist
- 1053 Zink plated sheet
- 1054 Profiled sheet
- 1055 Copper sheet

1060 Other steel and metal products

- 1061 Hard metal drill
- 1062 Commercial ironmongery
- 1063 Fencing
- 1064 Steel doors
- 1065 Workshop products
- 1066 Metal products
- 1067 Final commercial steel
- 1068 Iron, steel and ferroalloy
- 1069 Stainless steel

1070 Insulation products

- 1071 Bitumen
- 1072 Asphalt paper
- 1073 Jointing pastes
- 1074 Thermal insulation, mineral wool
- 1075 Thermal insulation, foamed plastic

1080 Household equipment

- 1081 Stoves
- 1082 Refrigerator and freezer
- 1083 Rustles benches and sinks
- 1084 Laundry equipment

1090 Other building material

- 1091 Building board, gypsum
- 1092 Building board, fibre based
- 1093 Garden equipment
- 1094 Plants used in gardening
- 1095 Blasting agent
- 1096 Anti rust colour
- 1097 Other building material (included in litt. 121)
- 1098 Road marking materials

1100 Pipelines

- 1101 Steel pipes and parts
- 1102 Casted pipes and parts
- 1104 Copper pipes and parts
- 1105 Pipes used in culverts
- 1107 Plastic pipes for sewage water
- 1108 Plastic pipes heating and water

1110 Products used in heating- and sanitary work

- 1111 Technical fittings
- 1112 Regulation and measuring equipment
- 1114 Fixings

1130 Products used in heating systems

- 1131 Heat pumps and boilers
- 1133 Vascular and cisterns
- 1134 Pumps
- 1135 Heat bodies
- 1136 Water heater, heat exchanger

1140 Equipment used in bath rooms

- 1141 Fixtures for bathrooms
- 1142 Sanitary ware
- 1143 Bathtub /shower/-walls

heating- and sanitary material to
Heating and sanitary work (131)

1170 Water supply and sewerage pipes

- 1171 Nodular cast iron pipes
- 1172 PVC-pipes
- 1173 Concrete pipes
- 1174 Steel pipes
- 1175 District heating pipes

1200 Ventilation material

- 1201 Fans and air-conditioning unit
- 1202 Air treatment device and final appliance
- 1203 Ducts

1300 Cables, wires

- 1301 Cables

1310 Installation equipment

- 1312 Ducting
- 1313 Appliances

1320 Telecommunication-, data-, and security material

- 1321 Telecommunication-, data-, and security

1330 Sealed equipment material

- 1331 Switching equipment

1340 Luminary fitting

- 1341 Fittings used for lights
- 1342 Luminary and lamps (road works)

1360 Electrical heating

- 1361 Materials used for electrical heating

Electric equipment for:
Low voltage work (151)

1370 Production of electrical machines

- 1371 Production of elevators
- 1372 Production of electrical motors

3000 WAGES

3010 Building workers

- 3011 Building agreement
- 3013 Building agreement, machine operator
- 3015 Road agreement
- 3016 Underground wages

3020 Pipe workers

- 3021- Pipe agreement
- 3023
- 3024 Insulation agreement
- 3025 Refrigeration agreement

3030 Electrical installation workers

- 3031 Electric installation agreement

3040 Other workers

- 3041 Building material agreement
- 3042 Garden plant agreement
- 3043 Forging agreement (Svemek)
- 3044 Technology agreement IF Metall
- 3045 Plate agreement
- 3049 Painting agreement

4000 CIVIL SERVANT WAGES

- 4011 Civil servant wages
(Unionen, Ledarna, Sveriges Ingenjörer)

7000 ELECTRIC POWER AND FUELS

7011 Diesel oil
7021 Electric power, buildings
7022 Electric power, constructions

8000 OTHER COSTS

8011 Common costs
